BIG SIX WHEEL

THE BASICS

◆ The object of Big Six is to place bets in the turn of a large numbered wheel.

HOW TO PLAY

- ◆ Place your bets! Before the wheel is spun, place your wager on the specially marked table.
- ◆ Place your bet carefully! You are responsible for ensuring that your bet is correctly placed on the table. If you require assistance you may ask the Dealer.
- ◆ The Dealer will then call “no more bets” and spin the Big Six wheel.
- ◆ In order to be valid, the wheel must complete at least three revolutions.
- ◆ Once a valid spin is completed, the Dealer announces the winning section on the wheel.
- ◆ The Dealer will then collect all losing wagers and pay the winning wagers according to the payout odds.
- ◆ All maximum and minimum table limits are posted at each table.
